INTERNET ACCEPTABLE USE AGREEMENT

When I use the Internet, I have responsibilities and rules to follow. I agree to:

- keep myself and my friends safe by not giving out personal details including full names, telephone numbers, addresses and images and protecting my password
- be respectful in how I talk to and work with others online and never write or participate in online bullying
- use the technology at school for learning, use the equipment properly and not interfere with the work or data of another student
- not bring or download unauthorised programs, including games, to the school or run them on school computers
- not go looking for rude or offensive sites
- use the Internet at school to help me to learn
- remember that the content on the web is someone's property and ask my teacher to help me get permission if I want to use information or pictures
- think carefully about what I read on the Internet, question if it is from a reliable source and use the information to help me answer any questions (I should not copy and paste the information as my answer).
- talk to my teacher or another adult if:
 - I need help online
 - I am not sure what I should be doing on the Internet
 - I come across sites which are not suitable for our school
 - someone writes something I don't like, or makes me and my friends feel uncomfortable or asks me to provide information that I know is private.
 - I feel that the welfare of other students at the school is being threatened by online activities

I acknowledge and agree to follow these rules. I understand that I may not be able to access the Internet at school if I do not act responsibly.
