- Actively nurture and promote a culture where all members of our school community are treated with respect and dignity

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Marlborough Primary School. We will take appropriate measures, consistent with its *Student Wellbeing and Engagement* and *Bullying* policies to respond to discriminatory behaviour or harassment at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that appropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Marlborough Primary School also understands that it has an obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist all students to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities and communicating with us in relation to a student's disability,, please refer to our school's *Student Wellbeing and Engagement* policy or contact the Principal for further information.
